

FIGHTING INDIANS SOCCER BOOSTERS

President's Letter 2009-2010

Dear Booster Members,

I would like to applaud the many volunteers and committee members for setting up a fantastic year ahead. My commitment to you, the members, is to provide the necessary resources to assist in a successful Fighting Indians Soccer Booster organization. Thank you to all the past board members and especially to Ford Fegert, past president, for his tireless leadership and guidance for a smooth transition.

As the FISB president, I will lead by agreement of common wisdom that supports both the boys and girls programs. **The teams' success requires active participation, support and encouragement from students, parents and community members.** Membership is open to all interested parents and community members. Together we can make a positive impact in a student athlete's life.

During these difficult economic times, it is critical to recognize the outstanding financial support provided by our sponsors and fundraising participants. **THANK YOU.** Please show your appreciation to our valued sponsors when you are completing errands and purchases.

Welcome to the newly elected 2009- 2010 FISB Board Members:

Paul Muller	President
Nancy McClain	Vice President – Girls
Keith Kalish	Vice President – Boys
Denise Metz	Treasurer
Amy Banov	Interim Secretary

I want to thank the FISB Board Members for all their support and most importantly their willingness to move forward to achieve our goals. The Vero Beach Fighting Indians Soccer Boosters are dedicated to providing the highest quality soccer experience for our student athletes. See you at the matches.

Sincerely,

Paul Müller
FISB President
